and harrowing vision of what really happened at Peleliu and what it meant Working closely with two of the 1st Regiment's battalion commanders Ray Davis and Russ Honsowetz Marine Corps veteran and military historian Dick Camp recreates the battle as it was experienced by the men and their officers Soldiers who survived the terrible slaughter recall the brutality of combat against an implacable foe they describe the legendary Chesty Puller leading his decimated regiment against enemy fortifications they tell of Davis wounded but refusing evacuation while his men were under fire and of a division commander who rejects Army reinforcements Most of all their richly detailed deeply moving story is one of desperate combat in the face of almost certain failure of valor among comrades joined against impossible odds
